Dear Randi,

We would like to take this opportunity to express our sincere thanks for everything you have done for us regarding the interior design work on our home on Lake Winnepesaukee.

George and I are truly thrilled with the results. You are a real professional and it has been a pleasure doing business with you. Your ideas have translated into a beautiful and comfortable home for us.

Working with you has been fantastic. You have taken all the work out of creating a complete interior. You are extremely reliable and have always done what you said you would do. It is wonderful to work with someone that you can place your trust in.

Randi, we wish you the best of luck and we will always treasure your friendship.

Sincerely,

George & Debi Maynard
